Instructions for Completing Quarterly LST Forms

Section 1. General

The Local Services Tax ("LST") is levied on persons who engage in an occupation in COLWYN BOROUGH. Employers are required to withhold and remit the tax and file quarterly returns as provided herein.

Section 2. Exemptions

Certain persons are exempt from tax: (a) persons with annual earnings less than \$12,000; (b) certain severely disabled veterans; (c) certain U.S. Reservists on active duty; and (d) persons with concurrent employment whose primary employment is outside of COLWYN BOROUGH, and who pay the equivalent tax to the municipality in which the person is primarily employed. Persons who wish to claim exemption must complete and file an exemption certificate form annually.

Forms are available from the E-COLLECT and employers must maintain all completed exemption certificates. See LST Regulations for information on who may claim exemption.

Section 3. When to File Return and Remit Tax

Employers must remit the LST on or before the last day of the month following the end of each quarter of a calendar year and file a quarterly return. Returns are due April 30, July 31, October 31 and January 31 of each calendar year.

Section 4. Rate of Tax

The rate of tax is \$52.00 per calendar year, assessed on a *pro rata* basis at \$1.00 per week (or partial week). The date of pay determines the calendar quarter in which a week or weeks is/are reported.

Section 5. Withholding and Payments for Various Pay Cycles

Withholding and payment of the LST must be consistent with the employer's established payroll system as follows:

*Pay period intervals:

(W) Weekly payroll:	52 pay periods. LST is assessed and withheld \$1.00/pay
(B) Bi-weekly payroll:	26 pay periods. LST is assessed and withheld \$2.00/pay
(S) Semi-monthly payroll:	24 pay periods. LST is assessed and withheld \$2.16/pay
(M) Monthly payroll:	12 pay periods. LST is assessed and withheld \$4.33/pay
(O) Other payroll:	Irregular payroll (self-employed and employment with unusual, periodic, or irregular pay periods). Employer must treat each calendar quarter as a 13-week pay period and withhold and pay LST at the rate of \$13.00 per quarter. This amount is pro-rated for persons employed less than the entire 13-week period of a particular quarter. If a person claiming an exemption does earn income or net profits of at least \$12,000, or is otherwise no longer eligible for exemption, he/she must notify both E-COLLECT and his/her employer(s) immediately, at which time the amount of tax owed for all prior quarters of the current calendar year will be withheld by the employer and remitted with the return. Use abbreviation "(A)" to indicate such tax in arrears for previously exempt persons.
